

GROUP STUNT INFORMATION SHEET

Teams involved in the group stunt competition must have permission slips when registering.

If you did not send the insurance forms with your entry, you should bring the insurance forms to registration.

Group Stunt participants must wear the wristband appropriate for Saturday's competition.

Those schools who have two group stunts:

You have been given performance times for the second stunt group to follow the first. Please take both stunt groups to the warm up area at the same time and warm both up. Then have both groups proceed to the performance area. The second group can remain backstage or at the side of the performance area until their time to perform. This way you only need one coach with the groups.
